Feedback:

Wonderful experience accompanying the school and the class KG 'G' along with Nidhi Ma'am for the Mannu Development activity to 'Bikanerwala'. The activity was done in a structured way, very well organized. Really, liked the way, Nidhi Ma'am groomed the class, discipline is strictly followed and kids were well explained about the activity and the code of conduct very well explained to the kids beforehand. Thank you so much Sangeeta Ma'am, Shetal Ma'am and Nidhi Ma'am for such a great learning and a wonderful day with the kids and staff 😊

Safety/ Security:

Safety and security is very well taken care of and it is very well seen while kids were stepping out and boarding the buses, proper escorts and walkies are there with them throughout the outing.

Hygiene:

Hygiene also is very well taken care! Very happy with the entire system and the way they have planned it. Thank you so much!
