

## **INVITATION FROM AUSTRALIAN HIGH COMMISSION FOR BRIDGE EDUCATORS**

Suncity School joined the BRIDGE Australia Programme with our Partner School, Traralgon College, Victoria. There were seven partnerships this year between Indian and Australian Schools. The much cherished school partnership had two video conferences and exchange of our school projects. The teacher participants from Indian Schools were invited on 27 October for an interaction at the Australian High Commission with His Excellency, The High Commissioner, Mr. Barry O' Farrell.

We were warmly greeted by Mr Brett Galt-Smith, Counselor-Education and Research and Anu Jain, Senior Policy Advisor, Department of Education. The Asia Education Foundation Team, that implemented this programme, joined us virtually from Australia. The High Commissioner joined us for an informal chat and listened attentively to our wonderful reflections about the BRIDGE programme.

A video showcasing our work across a few months was shared with him. He was delighted with the immense value the collaboration brought to all partnerships.

MESSAGE FROM AEF:

Congratulations once again for participation in the 2021 Virtual Professional Learning

Program 🎉 Thank you for the level of commitment and enthusiasm you brought to each of the sessions. We look forward to following your partnership journey and supporting where

ever we can! 😊

We're excited to share with you the \*Celebration Video\* available

here  <https://youtu.be/3Jy-DX2z1hE> Please feel free to share with your school community and networks.
