

Invitation for 6TH NCSQCC, Gurugram

“Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives.”

~ William A. Foster.

The essence of Statistical Quality Control Circle (SQCC) for students is to nurture students and build up the sense and importance of ‘Quality’ and of skillful execution in their life through SQCC as it is a tool used in the industry, the world over; to solve problems using data. This is the future of tomorrow for our students.

The momentous honour of organizing the 6th NCSQCC, 2018 - National Convention of Students Quality Control Circles this year, lies with Suncity School, Gurugram!

Suncity School along with Quality Circle Forum of India – Delhi Chapter, is organizing NCSQCC and hosting it at Suncity School premises, from **23rd to 24th of November, 2018.**

A brief overview of the organizations:

Suncity School

Suncity School provides the best possible programme of academic and personal development. The school is committed to building the child's confidence and self-esteem and offers a strong developmental programme for life skills which inspire a love of learning and accomplishment. The school encourages self-discipline, creativity, independence of thought and tenacity of purpose.

The Quality Circle Forum of India, QCFI

The NCSQCC partners - QCFI, Quality Circle Forum of India strives to impart training, knowledge and practice of Quality concepts and philosophy with special attention to Quality Circles in organizations and institutions.

This year's theme for the 6th NCSQCC to be held at Suncity School is, ‘Quantum Quality’.

The convention will consist of Quality circle case studies and other competitions in accordance with the information given in the brochure.

This meaningful event will positively empower all who participate by providing opportunities to learn from each other's perspectives and experiences that will come to the forefront with an array of specially designed events based on SQCC and Multiple Intelligences. The endeavor is to intermingle Quality with MI — Multiple Intelligences.

With this background, we extend an invitation to you to grace the occasion and ensure your school's valuable participation in the convention.
