**Elementary Years Programme**  
**Report on Labour Day Celebration**

To honour workers for their contribution to society, the little ones of Elementary Years Programme celebrated **Labour Day on Friday, 30<sup>th</sup> of April 2021.**

The teachers in all the three grades i.e., **Pre-nursery, Nursery and Kindergarten** discussed that **Labour Day** is celebrated on **1<sup>st</sup> of May, every year.** They shared that it is also known as the **‘International Worker’s Day’.**

The teachers explained that on this day we thank people and show gratitude towards the people who help the society, such as guards, housemaids, plumbers, policemen, teachers, doctors, etc. The children were briefed that doctors and nurses work for long hours to take care of the patients. We must thank them for helping all of us to stay safe.

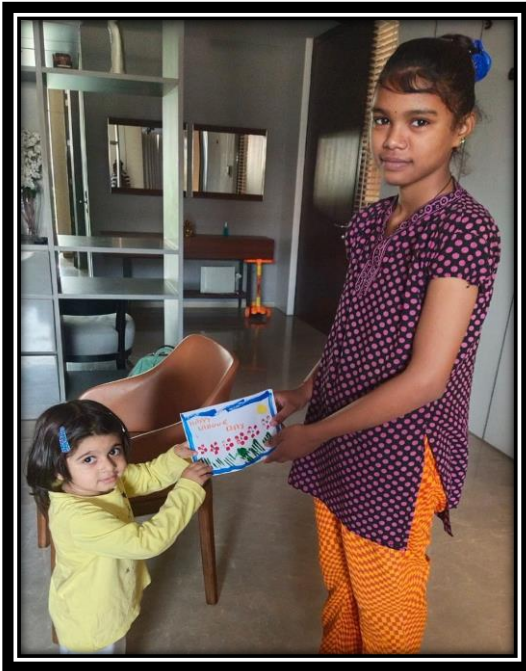

The teachers helped the children to make a craft for Labour Day with a thank you message on it, which the children gave to their society guards/ housemaids/‘didi’.

The glimpses of Labour Day celebration were shown in all the sections of Pre-nursery, Nursery and Kindergarten on Monday, 5<sup>th</sup> May 2021, to reiterate the importance of expressing gratitude towards the community helpers.

Link to view the glimpses of Labour Day celebration shown in the Elementary Years Programme classes on **Monday, 5<sup>th</sup> May 2021.**
