

# **THE LOWER PRIMARY ANNUAL SPORTS DAY-** **“GREEN OLYMPICS”– A REPORT**

The **Lower Primary Annual Sports** Day was celebrated with great enthusiasm and gusto on **Friday, 14 February 2020**. Parents turned up in large numbers to be a part of this event which was held to promote fitness, a healthy lifestyle, teamwork and most important of all, the spirit of fair-play and sportsmanship!

The event was graced by the presence of **Arpit Goel sir, Namrata Goel ma’am**, our Director **Ms Rupa Chakravarty ma’am** and our principal **Mrs. Sandeepa Rai**.

The pleasantly sunny winter morning was just the perfect time of the year to showcase the students' prowess on the field.

The theme for the year "Nurture Nature" also inspired our young Suncitizens to plan and implement a "**CARBON-NEUTRAL**" event by using props which were made from **recycled material** available (like used bottles, cartons) or **environment friendly material, avoiding single-use plastic** etc. This sensitised the students about the issues pertaining to our environment and at the same time inculcating the spirit of true sportsmanship in them.

In accordance to our theme of the year a sapling of the tree "*Plumeria Alba*" was planted to mark this momentous occasion.

This was followed by our Director declaring the meet open.

The colourful parade and march past by more than 400 students of grades I & II was a rousing spectacle and helped start the day on a spectacular note.

The oath ceremony which came next was a solemn affair as the students pledged sincerely to abide by all the rules and regulations. The Aerobics drill by the students of grade II was a beautiful display of physical dexterity, skill, stamina and agility.

Cheerleaders too boosted the moral of the all the participants.

Some glimpses of the races-

### **CLASS I RACES**

### **CLASS II RACES**

We are thankful to all the moms and dads who sportingly participated in some fun races organized for them—much to the delight of all the children present. Needless to say our Super Moms and Dads drew thunderous applause from the little ones!

The day ended but not without honouring the students who had won the races.
