Suncitizens had the proud privilege to exhibit their creative research work on Neemarana Fort and the Bawli at the 17<sup>th</sup> Jaipur Literature Festival held at Hotel Clarks Amer on Sunday, 04<sup>th</sup> February 2024.

The Jaipur Literature Festival hailed as the world's most remarkable literary event, unites prominent figures from various fields to promote free expression, meaningful discussions and celebrate renowned writers. It features a wide array of activities encompassing film, music, and theatre.

Our students thoroughly enjoyed the opportunity to meet and interact with some renowned authors, and famous personalities from India and abroad.

This festival was certainly a memorable and intellectually stimulating experience for our young, curious and creative learners, promising a truly special time.
