"Competition is always a good thing. It forces us to do our best."-

Nancy Pearcy

Competitions play a role in motivating students to perform, excel and offer a lot more rewards than just the winning prize. Competitions offer a chance for participants to gain substantial experience, showcase skills, analyse and evaluate outcomes and uncover personal aptitude. Keeping this in mind the students of the Elementary Years Programme participated in an Inter-School IT Fest event, 'Bits and Bytes' – Unleash the magic of Innovation, held at Blue Bells Preparatory School on Saturday, 14th of October 2023.

The names of the participants who participated in different categories are as follows-

1.	Viyana Saripalli	Nursery	
2.	Veditha Nevatia	Nursery	
3.	Rivaan Singh		
		Kindergarten	
4.	Jiah Aggarwal	Kindergarten	
5.	Riaan Khanna	Grade 1	
6.	Ruhi Sharma	Grade 2

Viyana Saripalli from Nursery participated in the 'Space Titan' category, where she dressed up as an imaginary four fingered debris cleaning vehicle with claws. She described how her innovative vehicle could pluck the garbage piece by piece out of the orbit. The model also had a broom designed at the top of it which acted like a radar and helped to locate the litter in space. The eco-friendly robot was made with creativity and innovation. Viyana delivered her content with great enthusiasm and confidence.

Veditha Nevatia from Nürsery participated in Drawing Clip Art Event where * * * * she used different techniques like-tearing and pasting/vegetable printing/earbud painting etc. to complete a space vehicle clipart. She did her activity very enthusiastically.

Singh from Kindergarten participated in 'Steeplechase' category. Where he ran a hurdle race on a designated track. The hurdles in the race also included a sorting activity. The sorting activity involved placing picture cards related to places where computers are used. The child participated with full zeal and confidence and secured 3rd position in this category.

Jiah Aggarwal from Kindergarten participated in 'Gadget Power' category. She presented a self-designed gadget to protect nature in a jingle form. The model was made by using all recycled material. She presented how the robot could help in household chores. The presentation laid emphasis on **SDG 6 - to save water**. The presentation was very musical and the child performed with great zeal and secured **2nd position** in this category.

Riaan Khanna from Grade I participated in '**Digi-Art' category** where he designed a space vehicle named **Stellar Voyager** in Tux paint software using his creativity and imagination. The stellar voyager acted like a messenger which tied the Rakhi to the moon. The presentation laid emphasis on sending love to cosmos and **SDG 17 – Partnership for the goals.** The child performed with great zeal and secured **1**st **position** in this category.

Ruhi Sharma from Grade II participated in **Tech-Novation' category** where she made a 3D drawing on the topic 'My vision of digital India' using paint 3D software. She designed a poster in which she explained smart cities, cashless economies, usage of different Indian cashless UPI apps and also described our successful Chandrayaan 2 mission. The presentation laid emphasis on **SDG 8** 'Decent Work and Economic Growth', **SDG 9** 'Industry, Innovation and Infrastructure" and **SDG 11** 'Sustainable Cities and Communities'. Ruhi participated with great zeal and secured **2nd position** in this category.

Inter-school competitions provide an excellent platform for students to develop their critical thinking, public speaking, and analytical skills. It not only helps to boost their confidence but also provides them with an opportunity to express their opinions and ideas in a structured and organized manner.
