

## REPORT - VISIT TO IIT DELHI OPEN HOUSE

**Date:** 04 November 2023

**Time:** 09:00 – 16:00 hours

**Venue:** Indian Institute of Technology, Delhi

A group of students from grade X and XI visited IIT Delhi along with two teachers (Ms. Antra and Mr. Amit) to attend their 16<sup>th</sup> Open House.

They visited various laboratories and exhibits and saw experiments conducted by the IIT students. They also attended a lecture by Dr. Srijan Pal Singh who has worked closely with Dr. APJ Abdul Kalam. Some of the highlights were the virtual reality glasses, formula 1 racing car designed by IIT D students, robotics projects, analysis of cheek cells through digital microscopy, some unique chemistry experiments like elephant's toothpaste, and others using liquid nitrogen, dry ice etc. The students got motivated and were excited to see IIT Delhi campus. It was a great learning experience for the students and teachers.
