Chakravarty along with the teacher representatives from all the schools were present at the occasion. "This competition aims to provide a platform to help hone the skills of all eight intelligences and elicit the best from within the child to mould an 'ABLE and NOBLE' being. We are all smart in our own way and no way is smarter than the other. This is our sixth year and I thank all the schools and teachers for their participation and making this competition successful." said the school principal. DPS, Sector 45, Gurgaon won the MI-ME champion title.
